

What is Relume

Sitemap to Wireframes

Achieve your first draft in the first minute. Sit back and watch AI magically turn your sitemap into wireframes with one click, generating real un-styled components with copy. Getting sign off has never been so easy.

 **Editing super powers**
Generate copy or add new components from our library. You're in control, not the AI

 **No Ai-template gimmicks**
Utilize our library of over 1000+ real components ready to export to Figma, Webflow or React
